

# THE FARHUD

WHAT WAS IT ... AND CAN IT COME TO AMERICA?

During the Holocaust, the Arab-Nazi alliance sparked the bloody June 1–2, 1941 pogrom of killing and looting in Baghdad. It set the stage for the later mass expulsion of 850,000 Jews from Arab countries. Why did it happen? Can it happen here?

Acclaimed bestselling historian Edwin Black, author of *IBM and the Holocaust* and *The Farhud*, confronts the issue head on—and takes your questions.
